OFFICE OF THE CHIEF EXECUTIVE OFFICER

15th February, 2022

Ms. Amrita Tamang
StartupXs

Dear Amrita,

RE: APPRECIATION FOR THE GRANT AS THE WINNER FOR THE CHANGEMAKERS SEED FUNDING 2022

I am writing to express my sincere gratitude to you for choosing us as the winner of the ChangeMakers Seed Funding 2022. I was thrilled to learn of my selection for this honor and I am deeply appreciative of the support from your organisation.

Ecomak Recyclers has launched an insurance program called Ecomak Insure - a waste insurance program that allows refugees to exchange plastic waste for points that helps them to access affordable education and medical services at our partner schools and clinics. The financial assistance you provided will be of great help to us in paying the expenses, and it will allow us to enroll more refugees onto the program.

Thank you again for your generosity and support. I promise you we will work very hard and eventually give something back to others, as a company and hopefully by helping more refugees access quality education and medical services.

I acknowledge the receipt of the grant.

Sincerely,

Ronald Mugaiga
